Warranty

M & M Log Splitters warrants new products sold by them to be free from defects in material and workmanship for a period of 12 months after delivery to the initial user. This warranty is for the replacement or repair of any part found to be defective during the warranty period.

This warranty excludes any transport costs incurred by M & M Logsplitters in giving effect to the warranty and specifically excludes all normal maintenance costs. Replacement parts provided under the terms of this warranty are covered for the remainder of the warranty period applicable to the product in which they are installed as if such parts were original components of that product.

Copyright

EMANDEM INDUSTRIES Log Splitters are covered by registered copyright and if copied in any way will result in prosecution.

Specific Changes

The manufacturer retains the right to change the specifications on the model without notice.
