

**Hireways lives by its mission  
'Rental Ready Equipment'**

# Hireways Petone

**H**ireways Ltd has been providing the construction industry with high quality rental services for nearly 20 years.

As a company, Hireways lives by its mission 'Rental Ready Equipment'. It is committed to providing quality equipment that has been checked and serviced and will complete customer projects worry-free.

In 2011, Hireways expanded into the Wellington region opening a branch in Petone. With an aim to deliver the best possible service and provide access to high quality rental equipment, Hireways now serves customers from Wellington right through to New Plymouth and Hastings on a regular basis.

Hireways has continually upgraded its fleet with a specific focus on larger construction and earthmoving equipment. The company's Wellington depot has a dedicated team that are always happy to discuss any needs a client may have; regardless of the size of the job, they have a solution.

The team in Wellington is backed up by the main office and maintenance team in Palmerston North. The business transfers equipment to

where it is needed to ensure clients get the right machine for the job. With experienced and willing transport operators, Hireways can deliver its machines anywhere in the lower North Island speedily and with ease.

With a growing customer base and staff to cope with it, the Wellington depot is becoming the go-to place for equipment rental. The team there consists of John Butt, Alex Boon, Denis Winter, Val Hart and Murray Quinn. They pride themselves on the service they provide and the relationships they have

built up with their clients. Working closely with the Palmerston North branch to provide the best possible service, the crew at Hireways believe that they are one team with the same customer-focused goal.

If you have any equipment needs no matter how big or small give the team at Hireways Petone a call. ■
